heritage restoration

Farcroft has considerable experience working with heritage organisations providing collection care and conservation support to museums, galleries, libraries, archives and other heritage collections, to maintain and preserve artefacts from deterioration and damage.

desktop service

Valuation and Restoration Report

Please email your Reference, Client and contact details together with photographs and a brief description of the peril type and damage caused, to receive a Desktop Valuation and Restoration Report, detailing each item with costs, methods and viability for restoration, within 48 hours of instruction.

inspection service

Valuation and Restoration Report

Farcroft have a nationwide team of inspectors who can visit the risk address to inspect and photograph the damage caused and then provide a report detailing the value of each item, extent of damage and costs, methods and viability for restoration.

emergency removal service

For fire, flooding, EOW or complex losses, Farcroft can be appointed solely for the emergency removal of contents. The Farcroft Logistics team will remove contents out of unstable environments to prevent further deterioration and costs. Inventories are produced, with each item listed and photographed, prior to being professionally packed and uplifted for storage.

12 month workmanship guarantee

Restoration work is covered by Farcroft's 12-month Workmanship Guarantee providing reassurance to both policy-holders and insurers.

secure storage

Contents can be removed to the Farcroft storage centre, providing assurance of the safety and security of valued possessions. Farcroft Logistics offer a full solution for handling, packing, transportation and unpacking or display hanging of fine art pieces.

salvage opportunities

Where applicable, we are more than happy to provide you with a salvage amount, for Farcroft, or the client to buy and retain the salvage.
